DEDICATION

For every child who has ever felt too much,
too deeply, or differently from everyone else.

For the ones who worry quietly.
The ones whose anger sometimes arrives before their words.
The ones who have felt left out, embarrassed, jealous, afraid,
or unsure of where they belong.

*Your feelings are not something you need to hide.
They are part of your story.*

You are allowed to have hard days.
You are allowed to need help.
You are allowed to grow at your own pace.

And no matter what you are feeling—
*you are still worthy of kindness,
still deserving of love,
and still completely you.*

Every feeling is welcome.
Every heart belongs.

Welcome back to Berry Blossom Village™
